4 **SEC. 2. FINDINGS.**

5 Congress finds the following:

6 (1) The People’s Republic of China and the Chinese Communist  
7 Party represent the foremost national security threat faced by the United  
8 States.

9 (2) The People’s Republic of China and the Chinese Communist  
10 Party are founded on the principles antithetical to human freedom and  
11 dignity including Communism and authoritarianism.

12 (3) The People’s Republic of China and the Chinese Communist  
13 Party seek to undermine free societies around the world and establish an  
14 alternative world order rooted in authoritarianism.

15 (4) In November 2012, at the 17th CCP Congress, General  
16 Secretary Xi Jinping first announced his vision for achieving “the  
17 Chinese dream of national rejuvenation” and military and economic  
18 dominance.

19 (5) The People’s Republic of China currently has the world’s  
20 second-largest economy in terms of nominal GDP (\$14.14 trillion) and  
21 the largest in terms of purchasing power parity (PPP) GDP (\$27.31  
22 trillion). In 2000, the People’s Republic of China controlled only 4  
23 percent of the global economy, and the United States controlled 31  
24 percent. Today, the People’s Republic of China stands at 15 percent and  
25 the United States’ share has dropped to 24 percent.

26 (6) The growth of the People’s Republic of China’s centrally  
27 controlled economy has been fueled largely by tools of economic  
28 coercion, including intellectual property theft and economic espionage  
29 of U.S. companies. In 2019 alone, one in five North American-based  
30 companies said that Chinese firms had stolen their intellectual property  
31 (IP) within the last year.

32 (7) Former Secretary of Defense Mark Esper has stated that the  
33 People’s Republic of China “is perpetrating the greatest intellectual  
34 property theft in human history”.

35 (8) In addition to its economic aggression and military  
36 modernization, the People’s Republic of China conducts political

1 warfare and disinformation campaigns against the United States and  
2 other democracies. It frequently targets academia, the media, business,  
3 and cultural institutions to suppress criticism and promote positive  
4 views of the CCP.

5 (9) The foremost victims of the People’s Republic of China and the  
6 Chinese Communist Party are the Chinese people who continue to  
7 suffer under communist authoritarian rule.

8 (10) The People’s Republic of China continues to perpetuate a  
9 genocide against the Uyghur Muslims in Xinjiang province, in addition  
10 to brutal crackdowns against the people of Tibet and Hong Kong.

11 (11) The CCP continues to obfuscate the origins of the COVID–19  
12 pandemic which started in Wuhan, China and has refused to allow an  
13 impartial international investigation into the origins of the pandemic.

14 (12) Manifestations of expressions of racism, bigotry,  
15 discrimination, anti-Asian rhetoric, and xenophobia against people of  
16 Asian descent are contrary to the values we hold dearest as Americans,  
17 counterproductive to countering the CCP’s malign influence, and  
18 denounced by the Congress of the United States.

### 19 **SEC. 3. SEVERABILITY.**

20 If any provision of this Act, or an amendment made by this Act, or the  
21 application of such provision or amendment to any person or circumstance, is held  
22 to be invalid, the remainder of this Act, the amendments made by this Act, and the  
23 application of such provision and amendments to other persons or circumstances,  
24 shall not be affected.

## 25 **TITLE I—MATTERS RELATED TO TRADE, INVESTMENT, AND** 26 **ECONOMIC RELATIONS**

### 27 **SEC. 101. PREVENTING ADVERSARIES FROM DEVELOPING** 28 **CRITICAL CAPABILITIES.**

29 (a) **SHORT TITLE.**—This section may be cited as the “Preventing Adversaries  
30 from Developing Critical Capabilities Act”.

31 (b) **EXERCISE OF AUTHORITIES UNDER THE INTERNATIONAL EMERGENCY**  
32 **ECONOMIC POWERS ACT.**—

33 (1) **IN GENERAL.**—The President may exercise all authorities  
34 provided under the International Emergency Economic Powers Act (50  
35 U.S.C. 1701 et seq.) necessary to carry out the provisions of this

1 section, including authorities to impose penalties under section 206 of  
2 such Act.

3 (2) DELEGATION.—The President may delegate the authorities  
4 described in paragraph (1) to the head of any Federal agency the  
5 President determines appropriate in order to carry out the provisions of  
6 this section.

7 (c) PROHIBITION ON COVERED ACTIVITIES IN COVERED SECTORS THAT POSE  
8 PARTICULARLY ACUTE THREATS TO UNITED STATES NATIONAL SECURITY.—

9 (1) IDENTIFICATION OF CATEGORIES OF TECHNOLOGIES  
10 AND PRODUCTS.—

11 (A) IN GENERAL.—Not later than one year after the date of  
12 the enactment of this Act, and annually thereafter as described in  
13 subparagraph (B), the President—

14 (i) shall identify categories of technologies and products  
15 in covered sectors that may pose a particularly acute threat to  
16 the national security of the United States if developed or  
17 acquired by a country of concern; and

18 (ii) publish a list of the categories of technologies and  
19 products identified under subparagraph (A) in the Federal  
20 Register.

21 (B) UPDATES.—The President shall annually review and  
22 update the list of the categories of technologies and products  
23 identified under subparagraph (A)(i) and update the Federal  
24 Register under subparagraph (A)(ii) as appropriate.

25 (2) PROHIBITION ON COVERED ACTIVITIES.—The President  
26 shall, on or after the date on which the initial list of categories of  
27 technologies and products is published in the Federal Register pursuant  
28 to paragraph (1)(A)(ii), prescribe, subject to public notice and  
29 comment, regulations to prohibit a United States person from engaging,  
30 directly or indirectly, in a covered activity involving a category of  
31 technologies and products on such list of categories of technologies and  
32 products in a covered sector. Such regulations should—

33 (A) require that a United States person take all reasonable  
34 steps to prohibit and prevent any transaction by a foreign entity  
35 under the control of the United States person that would be a  
36 prohibited transaction if engaged in by a United States person; and

1 (B) exclude any transaction consisting of the acquisition of an  
2 equity or other interest in an entity located outside a country of  
3 concern, where the President has determined that the government  
4 of the country in which that entity is established or has its principal  
5 place of business has in place a program for the restriction of  
6 certain activities involving countries of concern that is comparable  
7 to the provisions provided for in this Act.

8 (3) SENSE OF CONGRESS.—It is the sense of Congress that the  
9 covered sectors include certain categories of technologies and products  
10 that would pose a particularly acute threat to the national security of the  
11 United States if developed or acquired by a country of concern, and that  
12 the President should identify certain technologies and products in the  
13 covered sectors as categories of technologies and products in covered  
14 sectors for purposes of paragraph (1)(A).

15 (d) MANDATORY NOTIFICATION OF COVERED ACTIVITIES IN COVERED SECTORS  
16 THAT MAY POSE THREATS TO UNITED STATES NATIONAL SECURITY.—

17 (1) IDENTIFICATION OF CATEGORIES OF TECHNOLOGIES  
18 AND PRODUCTS.—Not later than one year after the date of the  
19 enactment of this Act, the President shall—

20 (A) identify categories of technologies and products in  
21 covered sectors that may pose a threat to the national security of  
22 the United States if developed or acquired by a country of concern;

23 (B) publish a list of the categories of technologies and  
24 products identified under subparagraph (A) in the Federal Register;  
25 and

26 (C) annually thereafter, review the categories of technologies  
27 and products identified under subparagraph (A) and publish an  
28 updated list of the categories of technologies and products in the  
29 Federal Register under subparagraph (B) if the list identified in  
30 subparagraph (B) has changed.

31 (2) MANDATORY NOTIFICATION.—

32 (A) IN GENERAL.—Beginning on the date that is 90 days  
33 after the date on which the initial list of categories of technologies  
34 and products is published in the Federal Register pursuant to  
35 paragraph (1)(B), a United States person engaging in a covered  
36 activity involving a category identified in paragraph (1)(A), or  
37 controlling a foreign entity engaging in an activity that would be a  
38 covered activity if engaged in by a United States person, shall

1 submit to the President a complete written notification of the  
2 activity not later than 14 days after the completion date of the  
3 activity.

4 (B) CIRCULATION OF NOTIFICATION.—

5 (i) IN GENERAL.—The President shall, upon receipt of a  
6 notification under subparagraph (A), promptly inspect the  
7 notification for completeness.

8 (ii) INCOMPLETE NOTIFICATION.—If a notification  
9 submitted under subparagraph (A) is incomplete, the President  
10 shall promptly inform the United States person that submits  
11 the notification that the notification is not complete and  
12 provide an explanation for relevant material respect in which  
13 the notification is not complete.

14 (C) IDENTIFICATION OF NON-NOTIFIED ACTIVITY.—  
15 The President shall establish a process to identify a covered  
16 activity involving a category identified under paragraph (1)(A) for  
17 which—

18 (i) a notification is not submitted to the President under  
19 subparagraph (A); and

20 (ii) information is reasonably available.

21 (3) CONFIDENTIALITY OF INFORMATION.—

22 (A) IN GENERAL.—Except as provided in subparagraph (B),  
23 any information or documentary material filed with the President  
24 pursuant to this section shall be exempt from disclosure under  
25 section 552(b)(3) of title 5, United States Code, and no such  
26 information or documentary material may be made public by any  
27 government agency or Member of Congress.

28 (B) EXCEPTIONS.—Subject to appropriate confidentiality  
29 and classification requirements, the exemption from disclosure  
30 provided by subparagraph (A) shall not prevent the disclosure of  
31 the following:

32 (i) Information relevant to any administrative or judicial  
33 action or proceeding.

34 (ii) Information provided to Congress or any of the  
35 appropriate congressional committees.

1 (iii) Information important to national security analysis or  
2 actions of the President to any domestic government entity, or  
3 to any foreign governmental entity of an ally or partner of the  
4 United States, under the direction and authorization of the  
5 President, only to the extent necessary for national security  
6 purposes.

7 (iv) Information that the parties have consented to be  
8 disclosed to third parties.

9 (e) REPORTING REQUIREMENTS.—

10 (1) IN GENERAL.—Not later than one year after the date on  
11 which the regulations prescribed under subsection (f) take effect, and  
12 not less frequently than annually thereafter, the President shall submit  
13 to the appropriate congressional committees a report that—

14 (A) lists all notifications submitted under subsection (d)(2)  
15 during the year preceding submission of the report, disaggregated  
16 by—

17 (i) sector;

18 (ii) covered activity;

19 (iii) covered foreign entity; and

20 (iv) country of concern;

21 (B) an assessment of whether to amend the regulations,  
22 including whether to amend the definition of “covered sectors” to  
23 enhance national security;

24 (C) provides additional context and information regarding  
25 trends in the sectors, the types of covered activity, and the  
26 countries involved in those notifications, including—

27 (i) the location of the relevant covered foreign entities;  
28 and

29 (ii) the country in which the United States person or  
30 foreign entity controlled by such United States person  
31 involved in the relevant covered activity is located; and

2 production or supply of covered sectors in the United States,  
3 including the potential of existing authorities to address any  
4 related national security concerns; and

5 (ii) the continuation, expansion, or modification of the  
6 implementation and administration of this section.

7 (2) FORM.—Each report required by this section shall be  
8 submitted in unclassified form, but may include a classified annex.

9 (3) PROHIBITION ON DISCLOSURE.—Information contained in each report  
10 required by this section may be withheld from disclosure only to the extent  
11 otherwise permitted by statute, except that all information included pursuant to  
12 paragraph (1)(A) shall be withheld from public disclosure.

13 (f) REQUIREMENT FOR REGULATIONS.—

14 (1) IN GENERAL.—Not later than 180 days after the date on  
15 which the initial list of categories of technologies and products have  
16 been published in the Federal Register pursuant to subsections  
17 (c)(1)(A)(i) and (d)(1)(B), the President shall prescribe and finalize  
18 proposed regulations to carry out this Act.

19 (2) ELEMENTS.—Regulations prescribed to carry out this section  
20 shall specify—

21 (A) the types of activities that will be considered to be covered  
22 activities;

10 costs;

11 (C) to adopt the least burdensome alternative that achieves  
12 regulatory objectives;

13 (D) to prioritize transparency and stakeholder involvement in  
14 the process of prescribing the regulations; and

19 Regulations issued under this section shall, consistent with the authority  
20 provided by subsection (b)(1), provide for the imposition of civil

28 fact in any information submitted in a notification under subsection  
29 (d)(2).

30 (7) ENFORCEMENT.—Consistent with the authority provided by

3 (6) On January 19, 2021, the Department of State determined that  
4 the People’s Republic of China committed crimes against humanity and  
5 genocide against Uyghurs and other ethnic and religious minority  
6 groups in the Xinjiang Uyghur Autonomous Region, citing forced  
7 sterilizations, forced abortions, coerced marriages, and separation of  
8 Uyghur children from their families.

9 (7) The Department of State’s 2020 Country Reports on Human  
10 Rights Practices affirmed the genocide determination and noted  
11 coercive population control measures inflicted on ethnic and religious  
12 minority women in China, including forced injections with “drugs that  
13 cause temporary or permanent end to their menstrual cycles and  
14 fertility”.

15 (8) The United States ratified the United Nations Convention on  
16 the Prevention and Punishment of Genocide in 1988, recognizing that  
17 “imposing measures intended to prevent births within the group” with  
18 intent to destroy a group in whole or part is an act that constitutes  
19 genocide.

20 (9) Taiwan is a free and prosperous democracy of nearly  
21 24,000,000 people and an important contributor to peace and stability  
22 around the world.

23 (10) Section 2(b) of the Taiwan Relations Act (Public Law 96–8;  
24 22 U.S.C. 3301(b)) states that it is the policy of the United States—

25 (A) “to preserve and promote extensive, close, and friendly  
26 commercial, cultural, and other relations between the people of the  
27 United States and the people on Taiwan, as well as the people on  
28 the China mainland and all other peoples of the Western Pacific  
29 area”;

30 (B) “to declare that peace and stability in the area are in the  
31 political, security, and economic interests of the United States, and  
32 are matters of international concern”;

33 (C) “to make clear that the United States decision to establish  
34 diplomatic relations with the People’s Republic of China rests  
35 upon the expectation that the future of Taiwan will be determined  
36 by peaceful means”;

1 (D) “to consider any effort to determine the future of Taiwan  
2 by other than peaceful means, including by boycotts or embargoes,  
3 a threat to the peace and security of the Western Pacific area and of  
4 grave concern to the United States”;

5 (E) “to provide Taiwan with arms of a defensive character”;  
6 and

7 (F) “to maintain the capacity of the United States to resist any  
8 resort to force or other forms of coercion that would jeopardize the  
9 security, or the social or economic system, of the people on  
10 Taiwan”.

11 (11) Since the election of President Tsai Ing-wen as President of  
12 Taiwan in 2016, the Government of the People’s Republic of China has  
13 intensified its efforts to pressure Taiwan through diplomatic isolation  
14 and military provocations.

15 (12) The rapid modernization of the People’s Liberation Army and  
16 recent military maneuvers in and around the Taiwan Strait illustrate a  
17 clear threat to Taiwan’s security.

18 (c) SENSE OF CONGRESS.—It is the sense of Congress that the Chinese  
19 Communist Party, led by General Secretary Xi Jinping, has committed numerous  
20 human rights violations against the people of Hong Kong and the people of Taiwan,  
21 as well as genocide against Uyghur Muslims in the Xinjiang Uyghur Autonomous  
22 Region.

20 the following:

21 “(23) TRADE IN COVERED PHARMACEUTICAL  
22 PRODUCTS.—

23 “(A) IN GENERAL.—It is the objective of the United States  
24 to negotiate a plurilateral agreement among trusted allies relating to  
25 trade in covered pharmaceutical products to which section 103(b)  
26 will apply, for which the principal negotiating objectives of the  
27 United States are the following:

28 “(i) To ensure that a party to the agreement adopts and  
29 maintains measures to eliminate the imposition or  
30 reimposition of tariffs on imports of such products,  
31 particularly in the event of a declared emergency.

32 “(ii) To ensure that a party to the agreement—

1 “(I) will reduce or eliminate regulatory and other  
2 technical barriers in the pharmaceutical sector;

3 “(II) will promote expedited approval of facilities for  
4 the production of such products being built by business  
5 enterprises that operate one or more such facilities in the  
6 territory of the party;

7 “(III) will promote the use of good regulatory  
8 practices and streamlined regulatory review and approval  
9 processes for the production of such products in the  
10 territory of the party;

11 “(IV) will eliminate duplicated actions and other  
12 barriers to reduce the time for approvals of both facilities  
13 and such products; and

14 “(V) will expand transparency and cooperation with  
15 other parties and their manufacturers, working  
16 collaboratively, to ensure regulatory processes are  
17 streamlined and harmonized among other parties to the  
18 maximum extent possible.

19 “(iii) To prohibit export restraints against parties to the  
20 agreement, particularly in the event of a declared emergency.

21 “(iv) With respect to use of subsidies—

22 “(I) to encourage the coordinated provision of those  
23 types of subsidies that are classified under World Trade  
24 Organization rules as ‘non-prohibited’, such as subsidies  
25 that are not contingent on exports or import-substitution,  
26 to incentivize manufacturing of such products, including  
27 the provision of grants, loans, tax incentives, and  
28 guaranteed price and volume contracts;

29 “(II) to explicitly permit, among parties to the  
30 agreement, the use of production subsidies to build  
31 pharmaceutical manufacturing capacity;

32 “(III) to affirm that subsidies provided by parties are  
33 not intended to be used primarily for export or to distort  
34 trade;

35 “(IV) to affirm parties’ commitments under the  
36 Antidumping Agreement and the Agreement on Subsidies

1 and Countervailing Measures, including the recognition  
2 that ‘dumping, by which products of one country are  
3 introduced into the commerce of another country at less  
4 than the normal value of the products, is to be condemned  
5 if it causes or threatens material injury to an established  
6 industry in the territory of a contracting party or  
7 materially retards the establishment of a domestic  
8 industry’; and

9 “(V) to encourage notification and consultation  
10 among parties as they are considering pharmaceutical 14  
11 manufacturing subsidies to increase coordination and  
12 avoid creating conditions such as oversupply or market  
13 inefficiencies among the parties.

14 “(v) With respect to government procurement—

15 “(I) to provide reciprocal access to government  
16 procurements for such products in parties to the  
17 agreement;

18 “(II) to increase coordination between participant  
19 countries and facilitate the involvement of participant  
20 countries’ companies in bids to supply such products; and

21 “(III) to ensure that any participant in the agreement  
22 that is not already so designated, becomes designated for  
23 purposes of section 301 of the Trade Agreements Act of  
24 1979 (19 U.S.C. 2511).

25 “(vi) With respect to trade in services—

26 “(I) to obtain fair, open, and transparent access to  
27 supply chain services in the markets of parties to the  
28 agreement, such as distribution, logistics, and  
29 transportation services;

30 “(II) to ensure any restrictions or regulatory  
31 requirements maintained on such services are adopted and  
32 maintained in a transparent and efficient manner; and

33 “(III) to require parties to establish an internal  
34 process for identifying restrictions or regulatory  
35 requirements that could be waived in the event of a  
36 declared emergency.

1 “(vii) With respect to transparency and trade  
2 facilitation—

3 “(I) to obtain commitments among parties to the  
4 agreement to develop mechanisms for sharing information  
5 on pharmaceutical supply chain constraints and  
6 coordinate approaches with parties to minimize risks that  
7 could lead to supply chain failures; and

8 “(II) to the extent they have not done so yet, to obtain  
9 commitments from parties that they will fully implement  
10 the obligations under the World Trade Organization’s  
11 Agreement on Trade Facilitation prior to the date the  
12 agreement enters into force.

13 “(viii) With respect to enforcement—

14 “(I) to ensure that benefits under the agreement can  
15 only be obtained by parties that are fully meeting their  
16 obligations under the agreement;

17 “(II) to ensure that parties will not bring a dispute  
18 under another agreement for actions that are consistent  
19 with the agreement; and

20 “(III) to provide a dispute settlement mechanism  
21 comparable to the dispute settlement provisions of the  
22 Agreement between the United States of America, the  
23 United Mexican States, and Canada.

24 “(ix) To minimize the ability of parties to the agreement  
25 to undermine the effectiveness of the agreement by abusing  
26 exceptions in the agreement by including additional  
27 procedural requirements, such as notification of intent to rely  
28 on an exception at the time an inconsistent action is taken, and  
29 limiting the duration that participants may rely on an  
30 exception.

18 “(i) holds such interest (or any instrument described in  
19 subparagraph (A)) directly or indirectly through any chain of  
20 ownership, or

21 “(ii) holds any derivative financial instrument or other  
22 contractual arrangement with respect to such interest or

25 such interest or such company).

26 “(D) PUBLICATION OF LIST BY SECRETARY.—The  
27 Secretary shall, not later than 120 days after the date of the  
28 enactment of this subsection, establish a process for the periodic

31 to disqualified Chinese companies.

32 “(3) WAIVERS.—

33 “(A) IN GENERAL.—Paragraph (1) shall not apply with  
34 respect to any interest in a disqualified Chinese company held by

15 “(II) The type (including sector of the economy),

3                   (A)).

4                   “(C) STANDARDS FOR DETERMINING IF WAIVER IS  
5                   PROVIDED.—The Secretary may provide a waiver under this  
6                   paragraph only if the Secretary independently determines that—

7                   “(i) the need for such waiver, and the reasons for the need  
8                   for such waiver, outweigh the threat posed to the United States  
9                   by China and the lack of separation between China and the  
10                  disqualified Chinese company involved, and

11                  “(ii) extenuating circumstances justify the applicant’s  
12                  need to invest in the disqualified Chinese company.

13                  For purposes of this subparagraph, the Secretary shall not consider  
14                  the past or future financial returns of any investment in any  
15                  disqualified Chinese company, or any other justification based on  
16                  the applicant’s own financial needs, as an extenuating circumstance  
17                  justifying such an investment.

18                  “(D) PUBLICATION OF WAIVERS PROVIDED.—With  
19                  respect to each calendar quarter, the Secretary shall publish and

34                  (2) EFFECTIVE DATE.—

1 (A) IN GENERAL.—The amendment made by this section  
2 shall apply to taxable years ending after the date of the enactment  
3 of this Act, except that only periods after the date that is 270 days  
4 after the date of the enactment of this Act shall be taken into  
5 account in determining whether the requirement of section 501(s)  
6 of the Internal Revenue Code of 1986 (as added by paragraph (1))  
7 is met with respect to any taxable year.

8 (B) 1-YEAR GRACE PERIOD UNDER CERTAIN  
9 CIRCUMSTANCES.—In the case of organization that, after  
10 intensive due diligence, is unaware of the failure to satisfy the  
11 requirement of such section 501(s), subparagraph (A) shall be  
12 applied by substituting “1 year” for “270 days”.

18 501(s)(1) of the Internal Revenue Code of 1986 (as added by paragraph  
19 (1)). Such report shall detail the sectoral breakdown of such  
20 investments.

## 21 **TITLE VI—MATTERS RELATED TO DEMOCRACY, HUMAN RIGHTS** 22 **AND TAIWAN**

### 23 **SEC. 601. SUPPORTING A FREE AND DEMOCRATIC CHINA.**

24 It is the policy of the United States to support a free and democratic China  
25 which respects the human rights and civil liberties of the people of China.

### 26 **SEC. 602. AMERICAN INSTITUTE IN TAIWAN.**

27 The position of Director of the American Institute in Taiwan’s Taipei office  
28 shall be subject to the advice and consent of the Senate, and effective upon  
29 enactment of this Act shall have the title of Representative.

### 30 **SEC. 603. PROHIBITIONS AGAINST UNDERMINING UNITED** 31 **STATES POLICY REGARDING TAIWAN.**

32 (a) FINDING.—Congress finds that the efforts by the Government of the  
33 People’s Republic of China (PRC) and the Chinese Communist Party to compel  
34 private United States businesses, corporations, and nongovernmental entities to use  
35 PRC-mandated language to describe the relationship between Taiwan and China are  
36 an intolerable attempt to enforce political censorship globally and should be

1 considered an attack on the fundamental underpinnings of all democratic and free  
2 societies, including the constitutionally protected right to freedom of speech.

3 (b) SENSE OF CONGRESS.—It is the sense of Congress that the United States  
4 Government, in coordination with United States businesses and nongovernmental  
5 entities, should formulate a code of conduct for interacting with the Government of  
6 the People’s Republic of China and the Chinese Communist Party and affiliated  
7 entities, the aim of which is—

8 (1) to counter PRC sharp power operations, which threaten free  
9 speech, academic freedom, and the normal operations of United States  
10 businesses and nongovernmental entities; and

11 (2) to counter PRC efforts to censor the way the world refers to  
12 issues deemed sensitive to the Government of the People’s Republic of  
13 China and Chinese Communist Party leaders, including issues related to  
14 Taiwan, Tibet, the Tiananmen Square Massacre, and the mass  
15 internment of Uyghurs and other Turkic Muslims, among many other  
16 issues.

17 (c) PROHIBITION ON RECOGNITION OF PRC CLAIMS TO SOVEREIGNTY OVER  
18 TAIWAN.—

19 (1) SENSE OF CONGRESS.—It is the sense of Congress that—

20 (A) issues related to the sovereignty of Taiwan are for the  
21 people of Taiwan to decide through the democratic process they  
22 have established;

23 (B) the dispute between the People’s Republic of China and  
24 Taiwan must be resolved peacefully and with the assent of the  
25 people of Taiwan;

26 (C) the primary obstacle to peaceful resolution is the  
27 authoritarian nature of the PRC political system under one-party  
28 rule of the Chinese Communist Party, which is fundamentally  
29 incompatible with Taiwan’s democracy; and

30 (D) any attempt to coerce the people of Taiwan to accept a  
31 political arrangement that would subject them to direct or indirect  
32 rule by the PRC, including a “one country, two systems”  
33 framework, would constitute a grave challenge to United States  
34 security interests in the region.

1 (2) STATEMENT OF POLICY.—It is the policy of the United  
2 States to oppose any attempt by the PRC authorities to unilaterally  
3 impose a timetable or deadline for unification on Taiwan.

4 (3) PROHIBITION ON RECOGNITION OF PRC CLAIMS  
5 WITHOUT ASSENT OF PEOPLE OF TAIWAN.—No department or  
6 agency of the United States Government may formally or informally  
7 recognize PRC claims to sovereignty over Taiwan without the assent of  
8 the people of Taiwan, as expressed directly through the democratic  
9 process.

10 (4) TREATMENT OF TAIWAN GOVERNMENT.—

11 (A) IN GENERAL.—The Department of State and other  
12 United States Government agencies shall treat the democratically  
13 elected government of Taiwan as the legitimate representative of  
14 the people of Taiwan and end the outdated practice of referring to  
15 the government in Taiwan as the “authorities”. Notwithstanding the  
16 continued supporting role of the American Institute in Taiwan in  
17 carrying out United States foreign policy and protecting United  
18 States interests in Taiwan, the United States Government shall not  
19 place any restrictions on the ability of officials of the Department  
20 of State and other United States Government agencies from  
21 interacting directly and routinely with counterparts in the Taiwan  
22 government.

23 (d) STRATEGY TO PROTECT UNITED STATES BUSINESSES AND  
24 NONGOVERNMENTAL ENTITIES FROM COERCION.—Not later than 90 days after the  
25 date of the enactment of this Act, the Secretary of State, in consultation with the  
26 Secretary of Commerce, the Secretary of the Treasury, and the heads of other  
27 relevant Federal agencies, shall submit an unclassified report, with a classified  
28 annex if necessary, to protect United States businesses and nongovernmental  
29 entities from sharp power operations, including coercion and threats that lead to  
30 censorship or self-censorship, or which compel compliance with political or foreign  
31 policy positions of the Government of the People’s Republic of China and the  
32 Chinese Communist Party. The strategy shall include the following elements:

33 (1) Information on efforts by the Government of the People’s  
34 Republic of China to censor the websites of United States airlines,  
35 hotels, and other businesses regarding the relationship between Taiwan  
36 and the People’s Republic of China.

37 (2) Information on efforts by the Government of the People’s  
38 Republic of China to target United States nongovernmental entities  
39 through sharp power operations intended to weaken support for Taiwan.

1 (3) Information on United States Government efforts to counter the  
2 threats posed by Chinese state-sponsored propaganda and  
3 disinformation, including information on best practices, current  
4 successes, and existing barriers to responding to this threat.

5 (4) Details of any actions undertaken to create a code of conduct  
6 pursuant to subsection (b) and a timetable for implementation.

7 **SEC. 604. NEGOTIATION OF A FREE TRADE AGREEMENT**  
8 **WITH TAIWAN.**

9 Subject to section 605, the President is authorized to enter into an agreement  
10 with Taiwan consistent with the policy described in section 603, and the provisions  
11 of section 151(c) of the Trade Act of 1974 (19 U.S.C. 2191(c)) shall apply with  
12 respect to a bill to implement such agreement.

13 **SEC. 605. INTRODUCTION AND FAST TRACK CONSIDERATION**  
14 **OF IMPLEMENTING BILL.**

17 in section 604, the bill shall be introduced (by request) in the House of  
18 Representatives and in the Senate as described in section 151(c) of the Trade Act of  
19 1974 (19 U.S.C. 2191(c)).

20 (b) PERMISSIBLE CONTENT IN IMPLEMENTING LEGISLATION.—A bill to  
21 implement a trade agreement described in section 604 shall contain provisions that  
22 are necessary to implement the trade agreement, and shall include trade-related  
23 labor and environmental protection standards, but may not include amendments to  
24 title VII of the Tariff Act of 1930, title II of the Trade Act of 1974, or any antitrust  
25 law of the United States.

26 (c) APPLICABILITY OF FAST TRACK PROCEDURES.—Section 151 of the Trade  
27 Act of 1974 (19 U.S.C. 2191) is amended—

28 (1) in subsection (b)(1), by inserting “section 604 of the  
29 Countering Communist China Act,” after “section 282 of the Uruguay  
30 Round Agreements Act,”; and

31 (2) in subsection (c)(1), by inserting “section 604 of the Countering  
32 Communist China Act,” after “the Uruguay Round Agreements Act,”.

33 **SEC. 606. STRATEGY TO ADDRESS GENOCIDE IN THE**  
34 **XINJIANG UYGHUR AUTONOMOUS REGION.**

2 enactment of this Act, the President shall submit to the appropriate congressional  
3 committees a report that includes a strategy specifically describing—

5 occurring in the Xinjiang Uyghur Autonomous Region, especially  
6 during the period following the January 19, 2021, determination that  
7 genocide and crimes against humanity were occurring in the Xinjiang  
8 Uyghur Autonomous Region; and

9 (2) a strategy for ending the atrocity crimes occurring in the  
10 Xinjiang Uyghur Autonomous Region, including by—

11 (A) holding accountable persons or entities responsible for

13 new export controls or import restrictions, the issues of mass  
14 biometric surveillance and forced labor programs in China;

15 (B) gaining access for United Nations, United States, and  
16 other diplomats and foreign journalists to the Xinjiang Uyghur  
17 Autonomous Region; and

20 of the People’s Republic of China.

21 (b) FORM AND PUBLICATION.—The report required under subsection (b) shall  
22 be submitted in unclassified form and shall be made publicly available, but may  
23 include a classified annex.

24 (c) APPROPRIATE CONGRESSIONAL COMMITTEES.—In this section, the term  
25 “appropriate congressional committees” means—

26 (1) The Committee on Foreign Affairs, the Committee on Armed  
27 Services, and the Committee on Appropriations of the House of  
28 Representatives.

29 (2) The Committee on Foreign Relations, the Committee on Armed

34 **OTHER SEXUAL VIOLENCE.**

1 (a) STATEMENT OF POLICY.—It is the policy of the United States to consider  
2 any foreign person or entity responsible for, complicit in, or having directly or  
3 indirectly engaged in forced sterilizations, forced abortions, or other sexual violence  
4 targeting any individual in the Xinjiang Uyghur Autonomous Region as having  
5 committed gross violations of internationally recognized human rights for purposes  
6 of imposing the sanctions detailed in the Global Magnitsky Human Rights  
7 Accountability Act (22 U.S.C. 2656 note).

8 (b) DENIAL OF ENTRY FOR FOREIGN NATIONALS ENGAGED IN ESTABLISHMENT  
9 OR ENFORCEMENT OF FORCED ABORTION OR STERILIZATION POLICY.—Section 801  
10 of the Admiral James W. Nance and Meg Donovan Foreign Relations Authorization  
11 Act, Fiscal Years 2000 and 2001 (Public Law 106–113; 8 U.S.C. 1182e) is  
12 amended—

13 (1) in subsection (b), by striking “minister.” and inserting minister,

15 “(1) the Secretary of State makes a public determination that the forced  
16 sterilizations, forced abortions, or other coercive population control policies were  
17 being committed or enforced with the intent to destroy, in whole or in part, a  
18 national, ethnic, racial or religious group and therefore constitute genocide or  
19 crimes against humanity; or

20 “(2) the Secretary of State finds that such coercive population control policies  
21 were targeting Uyghurs, Kazakhs, Tibetan or other ethnic minorities or individuals  
22 peacefully expressing internationally recognized human rights in the People’s

4 **OLYMPICS.**

5 It is the sense of Congress that, consistent with the principles of the  
6 International Olympic Committee, unless the Government of the People’s Republic  
7 of China demonstrates significant progress in securing fundamental human rights,

9 **SEC. 616. DETERRING AMERICA’S TECHNOLOGICAL**  
10 **ADVERSARIES.**

11 (a) SHORT TITLE.—This section may be cited as the “Deterring America’s  
12 Technological Adversaries Act” or “DATA Act”.

13 (b) FINDINGS.—Congress finds the following:

14 (1) On December 2, 2022, the Director of the Federal Bureau of  
15 Investigation, Christopher Wray, stated, “We ... do have national  
16 security concerns about the app [TikTok]. Its parent company is  
17 controlled by the Chinese government. And it gives them the potential  
18 to leverage the app in ways that I think should concern us ... One, it  
19 gives them the ability to control the recommendation algorithm which  
20 allows them to manipulate content and if they want to, to use it for  
21 influence operations which are a lot more worrisome in the hands of the  
22 Chinese Communist Party than whether or not you ‘re steering  
23 somebody as an influencer to one product or another. They also have  
24 the ability to collect data through it on users which can be used for  
25 traditional espionage operations, for example. They also have the ability  
26 on it to get access, they have essentially access to the software to  
27 devices. So you’re talking about millions of devices and that gives them  
28 the ability to engage in different kinds of malicious cyber activity  
29 through that. And so all of these things are in the hands of a government  
30 that doesn’t share our values and that has a mission that’s very much at  
31 odds with what’s in the best interest of the United States that that  
32 should concern us.”.

33 (2) On December 3, 2022, the Director of National Intelligence,  
34 Avril Haines, “It is extraordinary the degree to which China, in  
35 particular, but they ‘re not the only ones, obviously, are developing just  
36 frameworks for collecting foreign data and pulling it in and their  
37 capacity to then turn that around and use it to target audiences for  
38 information campaigns or for other things, but also to have it for the  
39 future so that they can use it for a variety of means that they’re  
40 interested in.”.

1 (3) On December 16, 2022, the Director of Central Intelligence,  
2 Bill Burns, stated, “I think it’s a genuine concern ... for the U.S.  
3 government, in the sense that, because the parent company of TikTok is  
4 a Chinese company, the Chinese government is able to insist upon  
5 extracting the private data of a lot of TikTok users in this country, and  
6 also to shape the content of what goes on to TikTok as well to suit the  
7 interests of the Chinese leadership ... What I would underscore, though,  
8 is that it’s genuinely troubling to see what the Chinese government  
9 could do to manipulate TikTok.”.

10 (4) On December 23, 2022, both chambers of Congress passed a  
11 bipartisan spending bill that included a ban on using TikTok from  
12 government devices.

21 is more than double the number of such deaths since 2019.

23 from China.

24 (4) The amount of fentanyl seized by U.S. Customs and Border  
25 Protection skyrocketed from 2020 to 2022. In the fiscal year 2022, U.S.  
26 Customs and Border Protection seized a record 14,700 pounds of
